Halloween Costumes

フワリちゃんとSoli先生がハロウィンについて話しているね。
今回は「really+形容詞」を使って、ハロウィンで使える表現を学んでいこう。

I like these decorations. Really spooky!

Yeah! What costume are you going to wear this Halloween?

Maybe I'll dress up as a ghost. Ghosts are really scary. Have you decided yet?

I don't know. Maybe I'll dress up as a spider...

Ewww! I don't like spiders. They are really disgusting.

That's true. Maybe I'll dress up as a pumpkin...

Yeah! That would be really funny!

Meet the Teachers

Marsha先生と話しましょう。

Q What is Halloween like in America?

People get dressed up and go to parties. People wear all kinds of costumes, like TV show or comic book characters. Not just scary ones like witches and ghosts. Usually we make our own costumes.

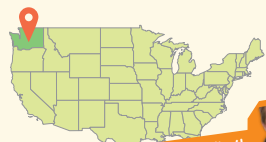

Q What TREATS do you give out for TRICK-or-TREAT?

I like to give out chocolate and peanut butter candy with caramel and nuts. Yum!

Q Have you ever been TRICKED?

No! I always give out TREATS, so I've never been TRICKED.

Q What costume are you going to wear this year?

Well, I really love animals. Last year I dressed up a zookeeper. This year, I'll dress up as an animal! Maybe a koala or rabbit. Nothing scary!
